

# CLIMATE PREPAREDNESS WEEK

Organized by Communities Responding to Extreme Weather (CREW)

## Land Conservation and the Environment

A Discussion with Barnstable Land Trust and Barnstable Clean Water Coalition

Thursday September 24th @ 6:30 PM on ZOOM

Join Sturgis Library for a discussion on the environmental impacts of conservation. We will be speaking with Janet Milkman and Zenas Crocker on the science behind the practice, what is being done locally and globally, and how you can be a part! This program will take place Via ZOOM. Email [sturgisreference@comcast.net](mailto:sturgisreference@comcast.net) to sign up. This program is part of CREW's 2020 Climate Prep Week.
